WHO WE ARE

LEARNING ONLINE

Flexible Learning Environment

Enjoy the flexibility and comfort that comes from the online learning environment. A variety of days and times allow you to select a lesson schedule that works best for your lifestyle. Catch up options are available should you miss a scheduled session, allowing you to maintain your momentum.

Small Class Sizes

Class sizes are limited to create an intimate group and the most effective NLP learning environment. Experience the NLP journey with like minded individuals from varied backgrounds taking part in our online NLP training programs from all around the world.

ONLINE COMMUNITY

The background image shows a long cable-stayed bridge stretching across a body of water. The sky is filled with warm, orange and yellow hues of a sunset or sunrise. The bridge's towers and cables are silhouetted against the bright sky, and their reflections are clearly visible in the calm water below.

Join a growing online NLP community of your fellow course participants and NLP alumni to share successes, encourage growth, and discuss questions in a friendly and supportive environment with regular contributions from the NLP trainers themselves.

As a member of this vibrant community you will have access to a pool of similar minded NLP students and practitioners, both past and present, to enhance your skills development.

Members are encouraged to explore new ideas, share experiences and assist others in their NLP journey. This is an NLP Centre for Excellence.

Accelerate your learning through the regular interactions between group members and see your NLP skills develop further, faster.

YOUR TRAINERS

Adrian Cahill
NLP Trainer

Adrian's personal coaching clients include many of the biggest brands in the world. After escaping the 9-5 on passive income, he was free to travel the world and follow his passion. This lead to multiple TEDx appearances and starting MOTIVATE Shanghai which changed the expatriate social landscape in a city of 26 million people. This grew beyond Shanghai into MOTIVATE Community with workshops, speaking, training and coaching opportunities on a more global scale. It is also setting up for Alumni to start their own communities.

Chris Williamson
NLP Trainer

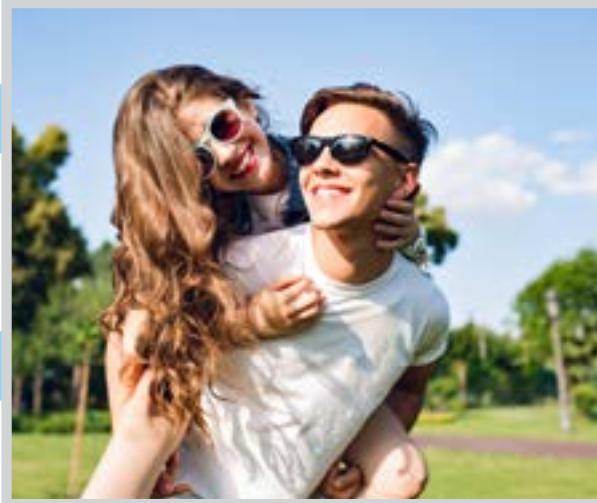

With an extensive background in business and leadership, founder of companies across technology, education, and marketing, in Australia, China and North America, Chris Williamson brings his experience in these roles to his training courses around the world. Drawing on extensive experience in management, training, cross-cultural communications, conflict resolution and negotiations, Chris delivers practical concepts to enhance your modern life and relationships of all types.
